

The Malones

Southern Gospel Singing Ministry

Robert and Jackie Malone, from Southern California, have been singing for The Lord since before they even said "I Do." **Robert Eric Malone** sang with The Tradesmen for five years and with many other groups as well as singing in convalescent homes and churches throughout Southern California for over 30 years. **Jackie Malone** sang in choir and a youth band as a teenager. She ministered for over 30 years on the worship team in her church and singing solo in churches and Life Builder Seminars for Women.

In 2016, they began singing together as a duet in churches. They married in 2017 and now their desire is to sing together to be a blessing to the body of Christ through ministering God's love and healing power to the lost and broken-hearted, just as the Lord has done for them.

They are new members of the International Country Gospel Music Association (ICGMA) and have been members of IAMM (International Association Music Ministries, Inc.), and have sang at The Western States Gospel Music Association (WSGMA) Annual Conventions in Visalia, California.

They support other artist's ministries with encouragement and lending a helping hand when needed. **Robert** is the all-around experienced bus driver, soundman, and mechanic, not only for The Malones, but in helping out other artists, churches, and events.

Jackie is available to minister and sing in Spanish, as well as minister at ladies events and seminars. She ministers weekly encouragement messages virtually via Facebook Live and You Tube videos. **Robert** is also available for solo ministry.

Whether together or solo, they are a great blessing. From Sunday Worship Services, to Concerts, Luncheons, Dinners, Women's and Worship Conferences; they have surrendered their lives to share their passion for what God has done for them.

Their testimonies are inspiring. They share their stories transparently. They share about transformations; transformations of realizing the value, identity, strength, and beauty that they have in Christ. Their love for people, for worship and for the local church resonates through their ministry. The music they sing is heartfelt, upbeat, encouraging and fun.

They currently have two CD's; one which is Jackie's solo project, and the other is their very first CD as a duet. They are working on a new duet CD as well as a solo CD by Robert Malone. They would love to come and minister at your church or event. Their talent and their heart for the Gospel and for worship is powerful and engaging. You are guaranteed to be blessed and encouraged by their music, singing, and ministry.
